

The Virginia Classic Cruisers is a family-oriented car club located in Chesterfield county Virginia. It was formed in 1995 when 20 families came together to help themselves and others share in the fun and support associated with building, maintaining, cruising, and displaying their classic cars.

The Virginia Classic Cruisers is recognized by the IRS as a 501c3 not-for-profit organization. Its charitable work especially helps those who served in the military and residents at McGuire Veteran's Hospital
